St. Gabriel's achieves Silver Award.

We are delighted to announce that we, St Gabriel's Cathlic Primary School, have achieved the School Games Silver Mark Award for the 2022/23 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Our sporting achievements this year include:
* Children across all year groups taking part in sports competitions
* Children being more active in school
* Having a range of different sports after school clubs

With a total of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to:
All the teachers who have helped support the application and encourage the children to be active throughout the day.
And of course, all of the children at St. Gabriels for participating in all of our sports activities and events thoughout the year.

We look forward to applying once again in 2024!
