

## Welcome to Class 3 and 4 – Notices

P.E days this year will be

Class 3 - Monday and Friday

Class 4 - Monday and Tuesday

Please ensure that children attend in their P.E kits on these days.

Snack is £1 a week for pancake and £2 a week for juice and pancake.

Children must read x3 times a week and diaries must be signed to show this. Children will receive a golden ticket and a winner will be drawn each half term.

## Class Dojo

A reminder to check Dojo for messages about things going on in school or class. Also, this is the best way to leave messages for staff if needed.

## Religious Education

In Religious education the children will be learning about Pentecost and reconciliation. Additionally, we will be learning about the universal church and other faiths.

## Year One Summer Term

### Maths

In maths the children will be continuing their learning of place value within 100, through a range of different representations.

We will also be looking at multiplication and division and addition and subtraction, using concrete resources to support our learning.

Additionally, we will be measuring time and capacity.

We will also continue with our learning of shape and explore position and direction and statistics.

### English

In English the children will be looking at and writing a non-chronological report about London. We will continue writing exciting sentences using capital letters, full stops and finger spaces.

## PE

In PE the children will be developing their striking and fielding skills in team games such as rounders. The children will also be playing a range of net and wall games.

## Science

In science the children will be learning about living things and different habitats. We will also be learning seasonal change, as we move into summer.

## Art

In Art the children will be developing their sculpture skills and will use clay to create a house.

## Computing

In computing the children will be learning how to programme algorithms and how to handle data.

## History

In history we will be learning all about the Great Fire of London. We will be discovering how and where the fire started and key significant figures who helped to extinguish the fire.

## Music

In Music we will be composing our own musical performances based upon our history learning of the Great Fire of London.

## Geography

In Geography we will be learning all about the continent Africa.

# Year One Summer Term

## RSHE

In RSHE the children will be learning how to stay healthy and how to look after our bodies by eating a healthy diet.

## Design and Technology

In Design and Technology, we will be creating our own freestanding structures linked to the Great Fire of London.
