

## Curriculum Organisation

St Gabriel's is a 1.5 form entry primary school which means that there are mixed age class groupings. The children are organised into classes according to their age. There are 13 classes as follows: Pre-school, two Reception, two Y1 classes, two Y2 classes, Y3, Y3/4, Y4, Y5, Y5/6 and a Y6 class. Each class teacher, in consultation with the Headteacher, is responsible for organising and delivering all the subjects of the National Curriculum and Religious Education for the children in their class.

## Our Mission Statement:

To Pray, Learn, Achieve and Celebrate Together

## Intent:

At St Gabriel's Catholic Primary School, we aim to ensure our children benefit from a broad, balanced and experiential curriculum, which is rich in progressive knowledge and skills.

Reading lies at the heart of the curriculum at our school, with an emphasis on reading to learn. Development of communication and language is paramount, as well as the acquisition of high quality, subject-specific vocabulary.

Through quality first-hand visits and visitors, across the whole curriculum, we are committed to enriching the life experiences for all our pupils. Therefore, our curriculum prioritises all curriculum subjects, combining SMSC and our School's Core Values. Our curriculum is designed to cater for the needs of all pupils so that they achieve to the best of their ability and have aspiration and ambition for their future.
